## Sales of Annual To Continue

As of February 7, 220 paid orders for the Grove, OCE annual publication, have been entered on the books as a result of last week's subscription campaign. According to the staff 66 more orders are needed before the Grove can be printed.

Chet Bumbarger, Ed Lewis, George Jensen, and Charles Smith will accept orders up to March 1, 1948. All students desiring a 1948 Grove must have their orders in by that time to be assured of receiving a copy. There will be no more copies of the Grove printed than are covered by advance orders.

This year's Grove will cost \$6.96 per copy to publish. Since the staff hopes to remain on the black side of the ledger, it is therefore evident that books cannot be printed which aren't spoken for.

The subscription price of the 1948 Grove is \$3.50 per copy. Deposits of \$1.00 with balance to be paid upon receipt of the copies, are being accepted by the staff of the OCE annual.

### STUDENT COUNCIL DOINGS

Starting next Wednesday, February 11, the OCE Student Council will meet each Wednesday at 6:30 p.m.

On the agenda of the council for Wednesday's meeting are two topics:

- (1) A delegate to represent the school at the forthcoming Pacific Northwest College Congress will be chosen.
- (2) A discussion will be conducted pertaining to some sort of permanent recognition for the most valuable and versatile athlete of the school as adjudged each year.

## Primary Adviser Takes Spotlight; Finds Oregon Damper than Kentucky

One of the most recent additions to the OCE faculty, Mrs. Freeda Wilson, the charming lady with a Southern drawl, comes to us straight from Kentucky, which she claims as her home state, although she was born in Louisiana.

Mrs. Wilson attended Western State Teachers college in Kentucky and after receiving her masters degree from the university there, she taught not only in the typical one-room rural school but also in public schools in both Kentucky and Indiana. Her last position before coming to the Oregon College of Education was that of first grade supervisor in Georgia Teachers College.

Mrs. Wilson was visiting in the West when she heard of a vacancy at OCE and, captivated by the charm of Oregon, immediately took advantage of the chance to remain here. She says she is very glad she did so, too, and is im-

## Reverend Chao To Speak Today

Rev. Calvin Chao, general secretary of the Inter-Varsity Christian Fellowship of China, will speak at the Oregon College of Education Christian Fellowship meeting at 7 o'clock this evening, Monday, February 9, in room 222 of Campbell hall. Rev. Chao is in the United States by invitation of the IVCF of this country for a six months speaking tour of colleges and universities, and persons on the OCE campus will have an opportunity to hear him just before he returns to China.

Flying to this country from Shanghai to New York to attend the International Fellowship of Evangelical students last August at Harvard university, Rev. Chao went from there to the IVCF summer Campus-in-the-Woods at Toronto, Ontario, where he spoke to the 116 students from 90 universities who had gathered there for a month of specialized training.

Rev. Chao was the main speaker at the Oregon all-state IVCF conference held at Twin Rocks, on the Oregon coast, February 6-8. Following this he will spend a week visiting most of the state colleges.

One of a handful of college-trained Chinese pastors, this outstanding speaker has been a favorite with young people everywhere and is a humble, gifted leader.

A gathering of evangelical students from 40 Chinese universities and colleges in 1945, at which Mr. Chao was among the leaders and speakers, led to the spontaneous organization of the China Inter-Varsity Christian Fellowship with Calvin Chao as the general secretary. Since then the membership and work of this Fellowship has reached 80 of the approximate 150 campuses of China.

Included in the Monday evening meeting will be group singing led by Lidy Lu Swofford. The fellowship trio will also sing.

pressed by the hospitality of OCE, although the "eternal rain" is trying to her at times.

Her daughter, Sarah, attends the seventh grade in Monmouth Training school, and can be easily identified by the same dark braids and brown eyes of her mother.

Mrs. Wilson, in the true spirit of the teacher, puts in a plug for reading emphasis in the primary grades, but also admits a fondness for nature study and hiking as well as a listening appreciation of music.

Her other activities include membership in the American Association of University Women and Kappa Delta Pi. She also has worked with the Red Cross and warns that it is a job fit for a martyr.

At present Mrs. Wilson is hoping to get her work here finished in order to take a vacation in Alaska this summer.

## Players To Visit OCE Campus

Oscar Wilde's play "The Importance of Being Earnest" will be presented in the Campbell hall auditorium at 8 p.m. on Wednesday, February 11, by the Mallory Players of Portland. This company is a professional repertory group and claims as members John Ulrich and Bill Holman, students at OCE, whose college attendance prevents them from taking an active part in the group at present.

The company, which was originally intended to be a summer theater, grew out of contacts made at the Portland Civic Theater and now includes approximately 15 people, the average age of whom is 25. Their first play, "Good-bye Again," was presented at the Ruby stock farm east of Portland. The scheduled performance of "The Importance of Being Earnest" is the first show the group has presented outside of Portland. For this production the players have their own complete portable set which was designed and constructed by a member of the group.

People with student body cards will be admitted free to the performance in Campbell hall. Tickets for other adults and children will be 80 and 25 cents respectively.

## Walla Walla To Be Scene of PNCC

Discussions pertaining to world problems and the United Nations will be the top-priority topics of the Pacific Northwest College Congress at Whitman college in Walla Walla, Washington, on March 3-8, 1948.

Delegates to that congress will represent approximately 75,000 college students in the Western area of the United States.

Some of the resolutions from the conference will be presented to the United Nations headquarters at Lake Success, New York.

OCE will have one representative to the Pacific Northwest College Congress.

Those OCE students desiring to become the school's delegate to the PNCC should present an individual application for the position to either Tom Jones, Allan Petersdorf, or Jean Stangel by 5 p.m. on Wednesday, February 11.

The student council meeting on Wednesday evening will determine which student will be selected as OCE representative to the conference.

### NOTICE!

- A list of students who are to report to the health service for tuberculin tests is posted on the bulletin boards in Campbell hall and the administration building. These tests will be given today, Monday, February 9, between 1 and 5 p.m.

## Guest Speaker Tells of Europe

"We are responsible for war, and each one of us must contribute to the reconstruction of the world that not God but we have torn down," was the concluding thought in the address of Dr. Harry P. van Walt, psychologist and sociologist who spoke in the Campbell hall auditorium on Monday, February 3. This statement was supported by his description of the destruction and sub-human conditions in Germany, which he has recently visited at the invitation of the British and American governments.

In commenting upon the noticeable hatreds felt throughout Europe for small minority groups, Dr. van Walt explained it as the transference of hate previously felt for the Germans. Another apparent tendency he noticed was that "Everybody wants to go somewhere else." "The great ideal and paradise for every European is to come to this country," he explained.

Criticizing the way the Allied governments are trying to teach the Germans democracy, Dr. van Walt emphasized, "I hold that it is impossible to teach democracy; it must be born in your heart and grow in your soul." He explained that the Germans, because of decades of following orders, aren't mentally ready for the freedom that a democratic ideology assures and requires, and that he would expect them to join Russia in preference to the U.S., not because they are communistically-minded, but because Stalin, who is totalitarian and a dictator, would supply their need for someone to give them directions. That "Communism is the greatest danger that threatens our world today" was pointed out by the speaker, and he concluded by citing the probable fate of Allied occupation forces if Russia should invade Europe.

## Fire Takes Life of Small Youngster; Students Make Futile Rescue Attempt

An apartment fire resulted in the death of three-months-old Terry Surbaugh at 8:30 a.m. on Friday, February 6. The second floor fire occurred in the northwest apartment of a two-story frame building at 118 S. College street. The fire is thought to have started from an overheated stove while the child's mother was absent from the building.

According to Mrs. Gilbert Ladehoff, overseer of the building, smoke was first noticed coming from the Surbaugh apartment at approximately 8 a.m. At that time after a hurried check it was assumed that no one was in the apartment. A short while later the Monmouth fire department arrived on the scene. Then the passage to the Surbaugh apartment was smoke filled and so hot that no one could enter. The firemen proceeded to douse the flames by forcing streams of water into the building from the outside.

During the ensuing confusion it wasn't known that anyone was in the burning apartment until Mrs. Morris Surbaugh, the child's mother, frantically informed the firemen that her baby hadn't been

## Collecto's Formal Saturday

Saturday night, February 14, from 9 to 12 o'clock, the students and faculty of OCE and their guests will dance in the physical education building to the strains of Don Krieger's orchestra in the traditional Sweetheart Ball sponsored annually by Collecto Coeds.

During intermission the Collecto "Sweetheart" chosen by club members from the campus men, will be announced.

Everyone in the club is working hard on the Sweetheart Ball. Ann Akerson is in charge of decorations and signs. Jean Stangel and Verna Smith are working on the programs. Mina Sloan and Elinor Winther are responsible for the refreshments and Betty Buhler and Carol Fischer will be in charge of the table decorations. The club's "Sweetheart" has been selected, but remember, you will have to attend the Sweetheart Ball to find out who he will be.

This dance, the only formal of the winter term, is one of the highlights of the school year and promises to be something you'll long remember.

## Dr. Kaplan To Discuss Plans

All students who are now enrolled in practice teaching or who have previously been admitted to practice teaching are asked to meet in room 208 of the administration building at 3 p.m. on Thursday, February 19, according to Dr. Louis Kaplan, director of training schools.

## BOY SCOUTS OF AMERICA

The Boy Scouts of America becomes 38 years of age this week (February 6 to 12), and we have been asked to celebrate with them.

We know of no greater observance in the interest of youth than this big national birthday, or of one which affords us more satisfaction.

Satisfaction is something the Scout achieves. However, the benefits derived by those of us who are affected by his efforts go far beyond mere satisfaction.

The theme of the 1948 Boy Scout Week deserves our endorsement: "The Scout Citizen at Work in his Home, his country, his Nation, and his World."

There it is, clearly inspiring, for us to examining and exult in — 38 years of continuous accomplishment by the Boy Scouts of America.

The man who can not believe in himself can not believe in anything else. The basis of all integrity and character is whatever faith we have in our own integrity.—Roy L. Smith.

I have learned silence from the talkative, toleration from the intolerant, and kindness from the unkind; yet strange, I am ungrateful to those teachers.—Kahlil Gibran.

A little word in kindness spoken, a motion or a tear, has often healed the heart that's broken, and made a friend sincere. — Daniel Clement Colesworthy.

Education makes a people easy to lead but difficult to drive; easy to govern, but impossible to enslave.—Henry Brougham.

Your mind is a sacred enclosure into which nothing harmful can enter except by your permission.—Arnold Bennett.

He that would live in peace, and at ease, must not speak all he knows, nor judge all he sees.—Poor Richard's Almanac.

Good and bad luck is a synonym, in the great majority of instances, for good and bad judgment.—John Chatfield.

The real sources of joy in this life are not the result of easy tasks, but of hard ones.—Sir Wilfred Grenfell.

The measure of a democracy is the measure of the freedom of its humblest citizens. — John Galsworthy.

Leisure for men of business, and business for men of leisure, would cure many complaints.—Thrale.

There is nothing so easy but that it becomes difficult when you do it with reluctance.—Terance.

The highest and most lofty trees have the most reason to dread thunder.—Charles Rollin.

The true effect of genuine politeness seems to be rather ease than pleasure.—Johnson.

.....  
NOTICE!  
.....  
A schedule of physical examination appointments will be posted from time to time, and all students new on this campus this term are requested to refer to the bulletin boards in order that these appointments may be kept.

## DORM

## DOPE

Last week we welcomed a dark-haired lady with brown eyes into the Todd hall family. She is Miss Cornelia Ledyard, who comes from Las Vegas, Nevada, and is to be our new house mother. There are tentative plans afoot in the council for a combined welcoming and going-away breakfast for Miss Ledyard and Miss Hartwig, but more information about that later.

† † † †

A small "blaze" in the form of an engagement ring has appeared on the left hand of Fire-Chief Eldora Whitaker. Congratulations, Eldora and Sam! Another engagement recently announced is that of Marge Renhard to Ted Floyd, who is a student at Oregon State college.

† † † †

Argyle socks are being turned out with machine-like regularity from the "factory" in Painted Alley, but the interest in these colorful creations is spreading throughout the dorm. Jean Spear is the official instructor for the knitters in Painted Alley.

† † † †

Arlene Stewart, our "Florence Nightingale," has been taken to the hospital for an appendectomy but we expect her back in a week.

† † † †

Don't forget the Open-House in Jessica Todd hall tonight, Monday, February 9, at 7:30 o'clock. There will be dancing, games, and refreshments, so everyone should have a good time.

Sue: "Last week when that bear got out you ran away and left me, and you just had told me that you would face death for me!"

Dick: "Yes, I would—but that bear wasn't dead!"

### BALM OF LOVE

My world is made of winds, and rocks and trees;  
Your world exists beyond the realms of Pleiades.

My heart is thrilled by sunset, moon and star;  
Your heart is filled with echoes from afar.

And no philosophy, like yours, have I  
That mirrors abstract truths from sea to sky,

My hope is you, but seldom in your schemes,  
Am I, whose plans fit not celestial dreams.

Your world is for the mind that seeks the way.  
My world is for the heart which loves the day.

—Joyce Tverberg

## Time Out for Tours in Korea for U. S. Troops

Off-duty facilities for education and recreation are many for U. S. Army and U. S. Air Force Regulars in Korea. This view shows a group of soldiers combining both in an informative sightseeing tour of Korea's royal tombs, where are buried important kings dating back to 1392 when the Li dynasty was established.

## Collecto Coeds

Although Collecto Coeds did not hold a regular meeting last week, it was a very busy time for all of the members. The three new pledges had finished their informal initiation and entered into the club's activities with great enthusiasm.

Collecto Coeds have also been assisting with sales of the 1948 Grove, the OCE yearbook. For a two-week period Collecto Coeds will be preparing and serving the refreshments at the weekly music hour which is held in the Jessica Todd hall music room.

## Sigma Epsilon Pi

With a grade-point average of 3.25 or better qualifying them for membership, nine girls were welcomed into Sigma Epsilon Pi during the formal, candle-light initiation held in the Jessica Todd hall music room, Wednesday evening.

New members are Vivian Russell, Phyllis Craven, Jean Thompson, Margaret Mills, Jewelle Schmidt, Louise Meiling, Jean Auld, Wilma Spacek, and Betty Dooley.

Guests at the initiation and the formal banquet which preceded it were Miss Edna Mingus, Miss Editha Hartwig, Miss Joan Seavey, and Miss Jane Dale.

## Staff and Key

Informal initiation was held for the Staff and Key pledges Tuesday evening, February 3. The girls Neva Green, LaVeda McKinney, and Hilda Fox, read clever essays and performed imitations for the group. After the bibles had been presented to the new members refreshments were served.

Staff and Key's "progressive dance" turned out to be quite entertaining even though the Rec. hall wasn't open. Arnold Arms was the last stop, and the place of entertainment for the remainder of the evening. Refreshments were served and a program was given. The snow provided much material for artistic snowmen. Everyone had a good time, and the group thanks Mrs. Hutchinson for chaperoning at the dance.

Members of Staff and Key will be selling ice cream slices at the next home game.

## Dr. Kaplan Plans

(Continued from Page One)

Dr. Kaplan states that it is essential that students attend this meeting so that supervised teaching assignments for the next quarter may be planned.

"This meeting is not intended for students who have not been admitted to supervised teaching," Dr. Kaplan states, "A meeting for these students will be scheduled at a later date."

**Forensics Group Meets Visitors for Debates**

The forensics class was visited by three teams of debaters from Oregon State college Wednesday night and three more from Linfield college on Thursday. Dr. J. F. Santee and Miss Jane Dale acted as critics for the debates.

The debates were in practice for a tournament at Tacoma, Washington which is to begin on Friday. There were no decisions given but the local teams are optimistic.

The class will leave for the College of Puget Sound on Thursday morning. There will be three debate teams, four extemporaneous speakers, one impromptu and one oratory representative. If none of the local contestants reach the finals they will return to the campus on Saturday. Otherwise they will stay over night and return on Sunday.

**One-Act Play Casting Begun**

The three-act play, "Murder Has Been Arranged," promises to be a great production, according to Crimson O Players who compose the cast who have been working diligently.

John Ulrich announces the following cast of characters for the one-act play "Grandma Pulls the Strings" which the club plans to send out on the road: Julia Cummings, Virginia Bruchart; William, Jack Cohoon; Grandma, Joanne Clemenson; Hildegard, Judy Wilcox; Nora, Helen Van Hine; and Mrs. Cummings, Janet Felsner. Lorna Jager will be director of this play.

The second one-act play will be cast at the next Crimson O meeting on Monday, February 16.

Crimson O publicity for the Grove is to be handled by Betty Lou Elliott, John Ulrich, and Judith Winegar.

**Schoolmasters Finish Session**

The January meeting of the Polk county Schoolmasters' club was held at Jessica Todd hall on Thursday, January 29, at 6:30 p.m.

Dr. Henry M. Gunn, president of the Oregon College of Education, gave a brief address of welcome, after which Dr. Louis Kaplan made an announcement concerning plans for the OCE 1948 summer session.

Club President Joseph E. Smith opened the discussion regarding the time and place for the next meeting. Dr. Gunn then read an invitation from the president of the Linn county Schoolmasters' club to a tri-county Schoolmasters' club meeting to include Polk, Marion, and Linn counties for the evening of February 19 at a place yet to be named. It was announced that a representative of the State Retirement Commission is to be on the OCE campus on the evening just mentioned, the date seemed especially appropriate — providing the meeting should be held at Monmouth.

**Phi Beta Sigma**

Informal initiation of the Phi Beta Sigma pledges begins today, Monday, February 9, and extends through Friday, February 13. Students elected into membership in the national teachers' honorary fraternity include: Jim Beach, Portland; Marjorie Bier, Oakridge; Gale Davis, Hermiston; Ralph Gibbs, Goshen; Evelyn Marsh, Beaverton; and Carmen Westenhause, Scio.

The six new pledges are being permitted to attend regular meetings of the club because of the postponement of the formal initiation until March 14, the date of the annual Phi Beta Sigma homecoming banquet.

To be eligible for membership in Phi Beta Sigma a student must be enrolled in teacher training work and earn a grade-point average of 2.5 for two consecutive terms.

# The Real Thing

by W. B. Stanley, Sports Editor

Willamette university's famed "Johnson Act" will be here Friday! The Johnsons aren't in any circus yet; but they usually score so many points in a basketball game that the opposition swears they must be magicians.

Bob Johnson, a forward, is the leading scorer on the squad, while brother Jim, the center, always rolls in his fair share of the points. These two brothers are transfers from "Skeets" O'Connell's Clark Junior College quintet of last year.

Ted Johnson, a guard and no relation to the other two, completes the "act." Ted, who hails from Astoria, has displayed remarkable basket shooting in many contests this season.

These three are the key to the Bearcats' hoop success — and the Salem lads have shown that they have talent. They have defeated such potent teams as Oregon, San Jose State, and Portland university.

Since the Willamette tilt is on Friday the 13th OCE might use the jinx on the Bearcats. The powerful Capitol City five is heavily favored over the Wolves — but they can be beaten!

§ § § §

Vince Hanson, Washington State center, has brought his team back into the Northern Division basketball picture by suddenly going point-crazy in the last three conference games. The giant 6-ft. 8 pivot man beat Idaho by tossing in a rebound shot with five seconds remaining to hand the Cougars a 41-40 win. He scored 18 points for that evening. Hanson practically whipped Oregon in both battles at Pullman last week. He scored a field goal with seconds left in the first contest to tie the count and send the tilt into an over-time period. The Cougars won out 66-65 as Hanson took care of the scoring in the over-time period — all told he totaled 23 points, 20 in the last half! Big Vince rolled in 19 markers in the second game as the WSC five sneaked out a 60-59 thriller from the Webfeet. One would never believe Hanson was a third-string center early in the season.

Back in 1945 Hanson was an All-American center. He led the nation in scoring that year. The writer saw him in action against Oregon in 1946 and he was a big disappointment. He had a bad season in 1946 and WSC Coach Jack Friel held him out of the 1947 hoop campaign. He was reported to have foot trouble. Since he wears a number eight shoe and carries a six-foot, eight frame, he was bound to have ailments in his tootsies.

Those who are interested in Northern Division basketball should notice that WSC will be a strong contender as long as one Vince Hanson can pivot on his small feet and hit that hoop!

## Jayvees Upset All-Stars 56-48

Bill McArthur's Jayvees clipped the Intramural All-Stars 56-48 in a rough and tumble basketball battle Friday night which was almost joined by the indignant audience.

Handicapped by lack of practice together, Petersdorf's boys nevertheless almost matched the Jayvees in scoring during the first half, but couldn't find the basket often enough in the second period.

A game of extremes, some of the worst and best playing of the season was witnessed by the befuddled officials who were encouraged by those who knew.

Topping the scoring list were Redden with 17 and Deacon with 15 points. Box scores:

Jayvees 56	FG	FT	PF
Hamilton, rf	5	4	2
Thayer, lf	1	2	4
McFarland, c	1	3	0
Hufford, rg	3	0	2
Ruecker, lg	1	2	2

All-Stars 48	FG	FT	PF
Nelson, rf	1	1	3
Floyd, lf	2	1	3
Brewster, c	0	1	3
Jones, T, rg	4	1	5
Deason, lg	6	3	4

Substitutes: Jayvees, Schrock 2, Olfert 4, P. Jones, Peters 2, Redden 17; All-Stars, Miller 2, Harris 6, Shunk 4, Smith 3.

## West House News

All the fellows at the house want to sincerely thank everyone on the campus for their fine help and consideration during that fateful day last week when we were quarantined with German measles. We all seem to be back in shape again, so everyone is safe now. We also would like to give special thanks to Cordelia Wilkins for making those trips to McNelly's for us, which undoubtedly saved many a young and helpless life.

.....

It looks as if West House might go wild in this last half of the basketball tournament. Go to it, fellows!

.....

Is it true that George McBride was on a liquid diet last week-end? ? ? ?

.....

Last week-end Woody Woodraska had as his guests a couple of boys from Linfield college.

.....

We all miss Lester McKim very much, but he seems to enjoy life very much where he is — how about that Les?

.....

Please note that Bruce Marsh is no longer using those crutches. It's good to see you on your own again, Bruce!

.....

Say, who is this girl Virginia everyone is talking about at West House????

.....

Bill (Wahoo) Floyd and Joe Roberts were selected to play on the intramural all-star basketball team. Good work, men!

## INTRAMURAL BASKETBALL

### LAST WEEKS SCORES:

Monday: VV-II 35, AA-I 27; VV-I 57, AA-II 9.

Tuesday: Burglars 31, Merry Macs 26; West House 35, Capitol Trotters 33.

Wednesday: Merry Macs 33, VV-I 30.

Thursday: Capitol Trotters 29, Burglars 28.

"You can ask one more question," said the almost exasperated father, "but make it the last one."

"Well," said his small son, "When a doctor gets sick and another doctor doctors him, does the doctor doing the doctoring have to doctor the doctor the way the doctor being doctored wants to be doctored or does the doctor doing the doctoring of the doctor doctor in his own way?"
